

Privacy Policy

Updates:

We reserve the right to modify or update this Privacy Policy at any time and will make reasonable efforts to publish such changes here. Your continued use of My Renewable Life constitutes your acceptance of this Privacy Policy. Please check this Privacy Policy for any such updates.

Personal Information:

Your use of My Renewable Life may cause certain information, including information you may consider personal to you ("Personal Information"), to be stored locally on your mobile phone, tablet, media player, or personal computer ("Device"). This data may include, but is not limited to, your first and last name, age, and all information disclosed in our survey. It may also include specific details about your carbon pollution ("Carbon Pollution Data"). We will treat your Personal Information and Carbon Pollution Data as confidential. We will not share your Personal Information or Carbon Pollution Data with third parties, such as third party service providers and/or advertisers.

We may automatically collect the following types of information as you use My Renewable Life:

- Usage Information: We collect certain information automatically through your use of our App, such as which features of our App you access, the frequency of access, updates made on our App, and what you click on while on our App.
- Device Information: We may collect information about the device you are using, such as hardware model, operating system, application version number, browser, and IP addresses.
- Mobile Device Information: In addition to the Device Information listed above, when you access our App, we may also collect the unique device identifier assigned to that device, mobile carrier, operating system, and other device attributes. We may also access functions on your mobile device for the operation of our mobile application, which can include: telephone, camera, browser, social media apps, or GPS.

We may process personal information provided through the means outlined above for the following purposes:

- To provide you access to our application
- For safety and security. This includes to prevent, detect, and investigate, fraud, security breaches, potentially prohibited or illegal activities, and enforce our Terms & Conditions
- For research and development. We are always looking for ways to make our application smarter, faster, secure, and useful to you. This includes information about features you interact with on our application and actions you take on these features
- To communicate with you about our application. We use your contact information to resolve problems with the site, applications or tools, or for other purposes authorized by law.
- With your consent: We use information about you where you have given us consent to do so for a specific purpose not listed above.

Disclosure to Government: We reserve the right to monitor and disclose, without your consent, any communications or Private Information, whenever requested to do so by courts, government agencies, or by law enforcement authorities.

Consent: We may Process your personal information where we have obtained your prior, express consent.

Compliance with applicable law: We may Process your personal information where the Processing is required by applicable law;

Vital interests: We may Process your personal information where the Processing is necessary to protect the vital interests of any individual; or

Legitimate interests: We may Process your personal information where we have a legitimate interest in carrying out the Processing for the purpose of managing, operating or promoting our organization, and that legitimate interest is not overridden by your interests, fundamental rights, or freedoms.

GDPR and legal bases for processing (for EEA users): If you are an individual in the European Economic Area (EEA), we collect and process information about you only where we have legal bases for doing so under applicable EU laws. The legal bases depend on the Applications you use and how you use them. This means we collect and use your information only where:

We need it to provide you with the Application, including to operate the Application, provide customer support and personalized features and to protect the safety and security of the Application;

It satisfies a legitimate interest (which is not overridden by your data protection interests), such as to deliver access to features of interest within the application

You give us consent to do so for a specific purpose; or we need to process your data to comply with a legal obligation.

If you have consented to our use of information about you for a specific purpose, you have the right to change your mind at any time, but this will not affect any processing that has already taken place.

Sharing Information:

My Renewable Life will never automatically share your information to social networks and/or third parties without your consent. We are in no way responsible for the protection of any information that you choose to share with social networks. You and such social networks are solely responsible for the protection of such information. Please review any applicable policies and procedures of such social networks before sharing your information therein.

Children's Privacy:

We do not knowingly collect or solicit personal information from children under 13.

International Users:

My Renewable Life is located in the United States and is subject to the applicable state and federal laws of the United States. If you use My Renewable Life, you consent to the use and disclosure of information in accordance with this Privacy Policy and subject to such laws.
